

VizConnect, Inc. (VIZC: OTC) Acquires 18% Stake in AI Development Company, Eternal Mind, Inc. Through a Share Exchange

PORTLAND, MAINE, UNITED STATES,
August 16, 2024 /EINPresswire.com/ --

VizConnect, Inc., a premier business development consulting firm, is expanding their technology sector of their portfolio with the acquisition of an 18% stake in Eternal Mind, Inc.,

<http://www.EternalMind.ai>, a pioneering private company specializing in cutting-edge AI technologies, in exchange for 180,000,000 shares of VizConnect.

We are excited for this strategic partnership represents a significant milestone for VizConnect as we continue to invest in New AI solutions which will have significant impact in the world."

*Temba Mahaka, CEO of
VizConnect, Inc.*

"We are excited to partner with Eternal Mind, a leader in AI innovation. This strategic partnership represents a significant milestone for VizConnect as we continue to invest in AI solutions which will have significant impact in the world. Eternal Mind's expertise in the AI arena will enable us to deliver more sophisticated and intelligent solutions to our clients." stated Temba Mahaka, CEO of VizConnect, Inc.

Avery Thomas, CEO of Eternal Mind, Inc., added, "This

partnership with VizConnect is a fantastic opportunity for us to expand our technological capabilities and reach new market segments. The strategic partnership and collaboration aim to integrate state-of-the-art AI solutions into VizConnect's growing portfolio of technology partnerships."

Eternal Mind, Inc. is renowned for its innovative AI algorithms and machine learning applications that have revolutionized various industries. By joining forces with Eternal Mind, Inc., VizConnect aims to leverage these technologies to offer enhanced solutions to its customers, driving efficiency, and unlocking new opportunities for growth.

Eternal Mind - AI and Quantum Computing in Genetic Engineering: Forced Speciation – The convergence of genetic engineering, artificial intelligence and quantum computing is poised to drive forced speciation, ushering in a new era of precision and efficiency in genetic modification. Eternal Mind is also on the forefront of Quantum Biology Applications – The intersection of quantum computing and biology is reshaping biological insights, enabling quantum-enhanced

analysis of complex biological systems and phenomena, from molecular interactions to ecological dynamics.

Strategic Vision and Future Directions: VizConnect's diversified investment approach focuses on acquiring minority or majority stakes in promising companies in four core industry sectors: including Real Estate, Medical/Pharmaceutical, Green Energy Production and Disruptive Technologies, such as AI-Driven and Blockchain-Based Solutions.

VizConnect is providing these entities with enhanced consulting and business development maturity services. This model is akin to the investment strategies of Berkshire Hathaway, emphasizing long-term value creation and supporting sustainable growth.

AI Next Level Growth - Disruptive Technology Solutions.
