PORTLAND, ME, UNITED STATES, May 1, 2025 /EINPresswire.com/ -- VizConnect, Inc. (\$VIZC: OTC) – Croteau Homes Surpasses \$6 Million in Project Management Contracts for 2025, Signaling Strong Momentum Into 2026

VizConnect, Inc. (OTC: VIZC) proudly announces a major growth milestone from its portfolio partner, Croteau Homes, LLC. As of Q1 2025, Croteau Homes has secured project

management contracts totaling over \$6 million in gross revenue—solidifying a robust pipeline of residential development work that extends well into 2026.

This achievement marks a powerful validation of Croteau Homes' strategic expansion in Maine's residential construction market, driven by its longstanding reputation for high-quality project execution and client satisfaction.

"Securing over \$6 million in 2025 contracts is more than a milestone—it's a momentum shift," said Shannon Croteau, CEO of Croteau Homes. "This growth reinforces our ability to deliver value to homeowners, partners, and investors alike as we continue building for the future."

As part of VizConnect's broader investment and development strategy, this surge in booked revenue highlights the strength of its portfolio's focus on real estate development and sustainable business scaling.

"Croteau Homes continues to prove itself as a cornerstone of our real estate strategy," said Temba Mahaka, CEO of VizConnect, Inc. "Their disciplined management, construction excellence, and ability to secure long-term projects are helping to drive real value for both communities and our shareholders."

This milestone builds on Croteau Homes' recent project acquisitions—including new residential builds in Gray, Maine—and its strategic partnership with Graiver Homes Construction (another VizConnect portfolio company). Together, these developments underscore Croteau Homes' commitment to growth through operational excellence and strong local partnerships.
